

Forklift F endorsement & operator's certificate

Fast and effective training for forklift operators that need to drive a forklift on the road. It covers all information required under the Approved Code of Practice and by MITO in order to get both the F endorsement (unit standard 18496) and a 3-year operator's certificate.

Work at your own pace in your own time to study for the final assessment at any TR Driver Training branch nationwide.

The course is broken down into convenient, short modules that include:

- Using a forklift on the road
- Stability and capacity
- Forklift operating skills
- Health and safety around forklifts
- Stacking and destacking
- Hazard identification
- Pre-operational checks
- Parking and shutdown
- Fuel systems and filling
- Types of forklift
- Understanding forklifts

This course was co-produced by TR Driver Training and DT Driver Training. It is exclusively delivered via DT's e-learning platform at www.drivingtests.co.nz. Price correct at time of document authoring.

Who is this course suitable for?

Operators that need both an F endorsement and an operator's certificate that is valid for any forklift type.

How does the course work?

The course is available on a smartphone, tablet or computer wherever you have internet access. It's cheaper than comparable classroom-based courses. The online course takes around 2.5 hours and the final practical and theory assessments take 1.5 hours.

Where can you do the final assessment?

TR Driver Training has branches in Auckland, Hamilton, Mt Maunganui, Napier, New Plymouth, Palmerston North, Wellington, Blenheim, Christchurch and Dunedin.

How do you enrol in this course?

Contact the person that sent you this brochure, or visit www.drivingtests.co.nz/courses, search 'f endorsement', add the course to your cart and check out, or please email contact@drivingtests.co.nz
