

Semitrailer reversing

Learn expert techniques for the perfect manoeuvre

Around 25% of truck damage is caused while reversing. Being able to reverse a heavy trailer is essential in many industries. Confident, capable drivers save time by understanding how to set up and execute a reversing manoeuvre perfectly.

This course demonstrates best practice for reversing a semitrailer combination.

Who should do this course?

- Heavy vehicle drivers
- Supervisors
- Yard team
- Class 4 drivers upgrading to class 5

How does the course work?

Works on any smartphone, tablet or PC with internet access. Access course materials for 6 months. A certificate of achievement is supplied on completion. Take the course into the truck with you so you can watch and practice.
