

D endorsement

Unit standard 16718

Legally transport dangerous goods on the road

Updated for the latest legislation and unit standard, this course gives you the flexibility to learn as you earn.

You can do the theory portion of the D endorsement online followed by a final written assessment at any TR Driver Training branch nationwide. It's more convenient and cost-effective, plus gives a high standard of learning with instructional videos and interactive activities followed by quizzes to assess a trainee's knowledge.

Only
\$263
+GST

The course is broken down into convenient, short online modules, including:

- The Rule and classifications
- Responsibilities
- Carrying dangerous goods
- Segregation
- Documentation
- Placarding
- Safety requirements
- Emergencies

You'll learn everything you need to know to pass the final assessment.

This course was co-produced by TR Driver Training, 781 Great South Road, Penrose, Auckland and is exclusively delivered via DT Driver Training's e-learning platform at www.drivertraining.co.nz. Price correct at time of document authoring.

Creating measurable change through world-class driver training

Who is this course suitable for?

Drivers/operators that need to **get or renew** their D endorsement to transport dangerous goods by road.

How does the course work?

The course is available on a smartphone, tablet or computer wherever there is internet access. It's cheaper than comparable classroom-based courses and you're only away from the office for the final theory assessment at any TR Driver Training branch.

Where can you do the final assessment?

TR Driver Training has branches in Auckland, Hamilton, Mt Maunganui, Napier, New Plymouth, Palmerston North, Wellington, Blenheim, Christchurch and Dunedin.

How do you enrol in the course?

Contact the person that sent you this brochure, visit www.drivingtests.co.nz/courses and add the D endorsement course to your shopping cart, email contact@drivingtests.co.nz or call **TR Driver Training (0800 637 000)**
